Public Comment:

Ed Wilson asked if Rose Lyons would remain in the office and asked the board to elaborate on the union position being advertised for. Lyons said it would be 12hrs. a week at \$12.00 an hour. He asked if there was any vacation or holidays paid to the union position. Lyons explained there is not. Michaelene explained that the duties of the union position are water billing, payroll, along with other duties. Lyons explained that in the result of a grievance filed and arbitration decision they must fill the union position. Ed asked if the twp. Would be liable if an accident occurred due to deteriorating roads.

Dennis Sump: Asked about the purchase of the dump truck and Michaelene Harris had resident Chuck Vranich speak to the public about the truck to give detailed information. Harris explained that the board will have the fluids changed, brakes, rotors, and any other repairs if needed.

She said the conservation advised her it was the townships responsibility. She said she paid \$970.00 for a plan and needs the pipe unclogged. Lyons told Ms. Bosnjak that she would not make Burt clean out the culvert until these issues are addressed with the solicitor and conservation.

Don Morrow advised the supervisors to read the township news book and made a statement he is tired of some supervisors just coming to pay the bills and advised to get things moving.

Laurel Alexander asked about the union position and if Rose's hours would be reduced by that amount when it was filled.
