

5:30PM

August 21, 2019

*South Pymatuning Township Continuation Meeting*

*The Continuation Meeting of South Pymatuning Township Board of Supervisors was held August 21, 2019 at 5:30PM in the municipal building with Chairperson Bill Klumph, Supervisor's Rose Lyons and Chuck Vranich.*

*The meeting was opened with the pledge to the flag.*

*The sealed bids were opened and read. Two bids were received by Kirila Contracting and Sharon Paving. The bid amount for Kirila was \$116,935.16 and Sharon Paving was \$103,387.70.*

*The supervisors discussed the bids and Bill Klumph said both bids should be rejected. He said the township can do this themselves for cheaper and that Jon Wilson from Penn Dot already approved it. Lyons asked where the quote was for what the cost would be doing it ourselves and Klumph could not supply that. Lyons said she is concerned how the township is going to pay for the work since it was not budgeted for. No answer could be given by Klumph. Lyons also asked how much the Tar n Chip was going to cost and advised that the balance in the Liquid Fuel account was only around \$177,000.00 and explained that there are still expenses that need to come out of that account such as salt for winter maintenance. Lyons said our employees are not pavers and should not have to pave the roads. Lyons said she would like to talk to the contractor and see how many additional tons would be needed in place of not seal coating the road. Lyons said if Klumph would not have milled the roads the township wouldn't have the expense so high.*

*Klumph asked about the subdivisions that needed signed and Lyons said the subdivisions should have been put on the agenda at the August 14<sup>th</sup>, meeting and that the subdivisions should have been to the supervisors prior to the meeting so they were able to review them. Lyons said the Planning Commission only reviews the plans and the supervisors approve them. Laurel and Klumph said they were put on the desk and Lyons said no plans were on the desk until after Wednesday night's meeting. Lyons said they would put on next month's agenda. Laurel said Chuck voted on them at the public meeting.*

*The supervisors recessed the meeting until Friday August 23, 2019 at 5:15PM for the opening of the bid so they could talk to the contractor regarding the bid. The meeting ended at 6:20PM*

*Rose Lyons*
